

LET'S WALK
HOME SAFELY...

PEDESTRIANS...

YOUR SAFETY IS YOUR RESPONSIBILITY

SAFETY TIPS WHERE TO CROSS THE ROAD

At the traffic lights

At pedestrian crossings

Overhead bridge

Subway

Traffic island

Where there is a policeman
/ traffic warden

CROSSING TIPS

1 Cross the road at the point where you can be clearly seen

2 Stop at the edge of the road or kerb, or at the outside edge of the parked car, if present

3 Look right-left-right for any approaching vehicles

4 If there is any vehicle, let it pass, repeat the procedure of looking right-left-right

5 Cross when the road is clear while still looking at both sides

WHEN YOU WALK,

REMEMBER!!!

1 Walk facing the traffic

2

Be conspicuous. Wear bright clothes

3

Use the footpath provided

4

Do not assume that the drivers can see you

5

Do not play on the road, it is not a playground

6

Walk in a single file along the road

7

When walking with children, walk them away from the traffic
