THE MEDIA PLAYS ITS ROLES

Victims face new threat as rat urine kills 2

By Nur Haniffa
 PETALING JAYA: The Health Ministry's machinery in Johor has been fully mobilised to help flood victims with medical teams placed at every flood zone.

All's well on the health front

PETALING JAYA: The Health Ministry's machinery in Johor has been fully mobilised to help flood victims with medical teams placed at every flood zone.

All geared up for rain, rain, rain....

'SECOND WAVE' WARNING

We hope there will not be a second round of the heavy rains that caused the current floods. But we will be ready for it if it happens.

Hospital staff's leave frozen

KOTA KINABALU: All leave of hospital staff in Johor has been frozen to ensure that flood victims receive sufficient medical attention.

'We fear outbreak of diseases'

'We fear outbreak of diseases'
 Health Minister Datuk Dr. Chua Soi Lek said, "There are now about 54,000 evacuees at the centres. There are power cuts and no clean water supply."

Food handlers, cooks vaccinated

MRCS on standby for possibility of more floods

KUALA LUMPUR: The Malaysian Red Crescent Society (MRCS) is following its disaster operation management to brace for the possibility of more floods following continuous downpour in several states nationwide.

Food handlers, cooks vaccinated

Food handlers and cooks in evacuation centres were vaccinated against typhoid and other diseases.
